Planned Giving: We need £500/week and we're falling short. Like Mass attendance every Sunday & Holy Day of Obligation, supporting the Church is a Precept (CCC 2041). God's people have always paid a percentage of their income to ensure they have suitable facilities and qualified ministers for divine worship and mission. For instance, German Christians must pay 'Church Tax', around ~3% of their income; Americans, including Catholics, typically 'tithe' (10%); in Britain, a 'half-tithe' of 5% is suggested -- though rarely received! £14/week is 5% of 15K.
