STM Public Masses. Those in vulnerable categories should follow government advice (and common sense). Two PPC Stewards are present throughout to assist and direct attendees. Please observe the one-way system: enter via the Narthex & exit via the East Door; hand gel is at both. Seating is by households in pews marked with a white ribbon or any side pew, all of which are two metres apart. Please bring your own mask and/or gloves if you want them; we have a limited supply to give away. The Parish Hall is closed at the weekend, and the single sacristy restroom will not be open (apart from emergencies) as it must be thoroughly cleaned after each use.
Reception of Holy Communion: Only the Precious Body is given preferably in the hand or on the tongue after Mass. Approach the Altar by households and receive a Host or a Blessing side by side. The Priest, now wearing a mask, will drop the Host in your outstretched, cupped right hand supported by the left, according to ancient practice. During the same decade the Church finalised the Nicene Creed, St. Cyril of Jerusalem, Bishop and Doctor, wrote: *"In approaching [the Altar] therefore, come not with your wrists extended, or your fingers spread; but make your left hand a throne for the right, as for that which is to receive a King. And having hollowed your palm, receive the Body of Christ, saying over it, Amen. So then after having carefully hallowed your eyes by the touch of the Holy Body, partake of it; giving heed lest you lose any portion thereof ; for whatever you lose, is evidently a loss to you as it were from one of your own members. For tell me, if any one gave you grains of gold, would you not hold them with all carefulness, being on your guard against losing any of them, and suffering loss? Will you not then much more carefully keep watch, that not a crumb fall from you of what is more precious than gold and precious stones?" (Mystagogical Catecheses V, ~380 AD)*
